Re: Industrial Dispute

Between M/s. Empreiteiros Gerais Pvt. Ltd., Margao, Goa,
And

The Workmen represented by United Bargemen's
Association, Vasco-Da-Gama (Goa)

Shri F. Rebello, Advocate, for U.B. Association.

Shri G. M. Kothari, Advocate, for the Company.

AWARD

This reference arises out of the agreement between the above mentioned parties of 8th April, 1978 to refer the Industrial Dispute between them under Sec. 10-A(3) I. D. Act to me for arbitration. The agreement has been published in the Official Gazette No. 14, Series II, dated 6th July, 1978 by order No. IRM/CON/(44)/77 passed by the Lieutenant Governor of Goa, Daman and Diu in the Industries and Labour Department, Panaji, on 23rd June, 1978.

In reply to my notices to the Association and the Company and General notice, the Association has filed its statement dated 22nd August, 1978 and the Company has filed its written statement dated 5th October, 1978. None else appeared. The Association, inter alia, contended that the closure is an illegal lock-out and that the workers are entitled to be reinstated will full back wages. The Company contended that the closure is legal.

The parties have produced voluminous correspondence that passed between them and Government and also other documents. The Association has filed affidavits of several workmen but has examined some workmen as witnesses to show that there has been no closure of the Workshops of the Company and that they are going on. Pending further arbitration of the dispute at Panaji, the parties accepted my suggestion to settle the dispute. Even after protracted negotiations they could not settle it amicably. They have, however, prayed by their statement dated 30-6-1980 that I should make an award on the basis of the material on record and have agreed that it would be binding on them and that they have given up all objections raised in their initial statements. The Company has also filed a statement to show the monthly wages drawn by each of the remaining 64 workmen till the stoppage of work and the compensation payable under proviso to Sec. 25 FFF, I. D. Act. It has filed the settlement of other workmen of 3-3-1979.

The question before me is, whether the stoppage of work in the Workshops was closure due to unavoidable circumstances beyond the control of the employer. In my opinion, it was so and I find accordingly and find that the closure is covered by the proviso to Sec. 25 FFF, I. D. Act, and the workmen are entitled to compensation admissible under the proviso.

REASONS

The Association has adduced the evidence of Shri Keshav Sawant and Shri Anand Chari. Their evidence shows that it is based on guess work and some things noticed sometime from a distance and it was relied to show that the work was

going on in the Workshops. The correspondence shows that the Management has written to the Government Authorities complaining that the workers were going slow inspite of several warnings, and that ultimately they had to close down on account of the impossible position created by the workmen. Considering all this, I think that the closure was on account of the unavoidable circumstances created by the attitude of the workmen. They are, therefore, entitled to closure compensation under the proviso to Sec. 25 FFF, I. D. Act as shown in the statement of the Company, a part of which is attached hereto as Annexure 'A'. The Company has agreed to pay Rs. 30,000/- to the workmen as ex-gratia compensation in addition and also agreed not to claim back, and to deduct, the advances paid to the workmen shown in Column 11 of their statement.

The 64 workmen are, therefore, entitled to the closure compensation as shown against their names in the Annexure 'A' to this award which is a part of this award. Some of the 64 workmen have put in as long as 18 years' service till 1977 and some a year or over. I think that out of the ex-gratia compensation of Rs. 30,000/-, in fairness and equity they should receive from the Company ex-gratia compensation in proportion to the length of their service. On calculation I find that the workers should be paid from Rs. 30,000/- at the rate of Rs. 34/- per year of service till 1977.

I, therefore, direct the Employer-Company to pay to the 64 workmen described in the Annexure 'A' attached to, and forming part of, the award, the closure compensation shown against their names and also to pay them in addition the ex-gratia compensation shown against their names therein. I direct that the Company shall not deduct from any of the said or other monies payable to the workmen the advances paid to them. I further direct and make an award that the claims of the other 75 workmen having been legally and properly settled by agreement of 3-3-1979, the reference with regard to those 75 workmen is hereby dismissed. The 64 workers mentioned in the Annexure 'A' only are, however, entitled to other legal dues from the Company, which they may recover in whatever manner they choose. The reference is thus finally disposed of.
